

The Corporation of the Township of Moonbeam Job Opportunity

The Municipality of Moonbeam is currently accepting applications for the position of
Heavy Equipment Operator.

Reports to: Publics Works Foreman	Status: Permanent Full time
Department: Public Works	Type: Hourly according to salary grid

Summary

The Equipment Operator is responsible for operating equipment in a safe and appropriate manner on Public Works job sites. Equipment may include trucks, front-end loaders, dozers, and other pieces of equipment. The Equipment Operator must also clean, maintain and secure all equipment as directed by legislation, as well as company policies and procedures.

Job Duties

- Operate heavy equipment on Township job sites as required.
- Operate grater for road maintenance activities
- Operate snow plow and grater for snow removal on Township roads during the winter months
- Operate gasoline and diesel-powered units
- Identify any defects in equipment
- Clean, lubricate and perform other minor maintenance work
- Keep detailed and accurate reports and documentation of any equipment operated
- Adhere to workplace safety policies, regulations and compliances
- Communicate any unsafe conditions or accidents/injuries in a timely manner to facilitate prompt correction or reporting
- Check machinery before driving (circle check) to ensure that mechanical, safety and emergency equipment is in good working condition
- Maintain logs of working hours and of vehicle service
- Demonstrate continuous effort to improve operations, decrease turnaround times, streamline work processes, and work cooperatively to provide quality customer service

Requirements

- Class G Licence, DZ Licence
- High School Diploma, GED or equivalent
- Knowledge of operation of front-end loaders, dozers, etc.
- Knowledge of equipment maintenance and storage
- Must be able to work with little supervision
- Must possess a valid driver's license
- Sound understanding of pertinent safety guidelines
- Exceptional manual dexterity and hand-eye coordination

Work Conditions

- Tasks are typically outside with frequent lifting, bending, walking, pushing and pulling.
- Work directly affects the safety, well-being or interests of user groups through action taken, advice given, or treatments provided with longer-term implications for the

individuals. Responsible for the appropriate assessment and outcome of the action, advice or treatment.

- The working environment is typically out of doors, exposed to weather and operating machinery with occasional overtime requirements for emergency repairs. Typical conditions are such that a moderate to high risk of injury, harm or illness to the incumbent could occur. Extra safety measures may be necessary to prevent harm.
